Partnering with churches to reach  
communities for Christ.

*From the desk of Bro. Billy*

Happy New Year! This time of year it's often good to relax, reflect, assess and calendar. As we begin a new year, I hope you are encouraged by the knowledge that you are known by God and that your life and work deal with eternal matters.

We can be encouraged and excited about the journey ahead in 2018 because some of God's promises are unconditional and he will certainly bring them to pass.

We can be excited about this year because some promises are conditional and we get to be co-workers with God in accomplishing his work. This is an amazing adventure for us.

Think about some of the unconditional promises from God for 2018:

1. This year will be a year in which God builds his Church.
2. This year will be a year in which believers will be further conformed to the image of Christ.
3. This year, there will be trouble.
4. This year, all of history and the cosmos will continue to move toward the end that Christ's obedience, and resurrection has secured.
5. There will be trouble, but the eternal purposes of our God will move forward, and that is a very encouraging thought.

Think about some of the conditional promises from our Lord for 2018:

1. If we commit ourselves to prayer and fasting, some very special things may happen. I think some very special things will happen.
2. If we commit ourselves to go deeper with our hermeneutics and study the Scripture in its context and even original language, our Lord will open our eyes to truth and revelation concerning himself.
3. If we commit ourselves to celebrate the work of Christ publicly, in all its implications and glory, we will do the work of an evangelist.
4. If we embrace Christ's spirit of hospitality, welcoming, inviting, reaching out and encouraging others, we will adorn the gospel and be ambassadors for our King.
5. If we endure with patients and Christian virtue the many trials that will confront us this year, we will receive life and many rewards.

These things can happen this year and what an extraordinary journey it will be! Amen Lord, come 2018.

## CAKES FOR BAXLEY'S CHILDRENS HOME

We delivered **310 boxes** to the Children at Baxley's Children's Home on December 7th.

Thank you to all the churches who participated in this amazing ministry!

A big thank you to Tabernacle Baptist Church's staff Thomas Bowers, Randy McDuffie, and Drew Bolin and First Baptist Church of Vidalia's Emerson Smith and his group, Larry Simpson and all the other generous hearts for their participation in collecting and loading the boxes of cakes! This great ministry would not exist without servant hearts such as these.

### **Kantunilkin Mission Trip**

Our Association's mission work in Kantunilkin, Mexico was very encouraging. Joey Davis and Gabby did a wonderful work, leading our trip. The DBA has a strong and deep connection with our sister church in Kantu, Iglesia Bautista Vida Nueva. Luis Rodriguez, their pastor, and his wife, Veronica, have recently been called to lead the church. The church also has several wonderful elders giving leadership as well, and the church truly appears to be flourishing. We had the opportunity to challenge them to aspire to new heights in their study of the Scripture and their church organization. We walked with and supported with prayer their evangelism teams, house after house. We served by improving the grounds around their children's ministry. The trip was busy, joyful and fruitful. I think I speak for the team when I say, I feel like Iglesia Bautista Vida Nueva is a part of our association. I say that to encourage you to pray for them and even ask our Lord if He would have you visit them on an international mission trip.

They would love to fellowship with you and you almost certainly will grow in your understanding of our Lord and his bride. Contact the association for information about how you might serve in Mexico.

# Honoring Don Moye

*Don Moye is retiring after serving at First Baptist of Vidalia for almost 44 years. He has served in many roles in both FBC and the community, including Minister of Youth, Music, Sunday School and Small Group leader, Executive Pastor, Moderator for the DBA, and in countless other posts. Below are some thoughts from Don.*

When I reflect back on these almost 44 years I remember the call of God to come to FBC Vidalia. I was married 10 days to Glenda so we were still on our honeymoon when this barely 24 year old took on the responsibilities of Minister of Music and Youth. One of my life verses was to equip the saints for the work of the service so discipleship was a mandate to me. My call was to be the cup bearer to the king and work to make my pastor successful as an associate. ( I have served under only five pastor in all these years). I assumed I would be here for two years completing a three year commitment I had made to Reach Out Ministries to be trained in Youth Evangelism- 1st year, establish a discipleship strategy in a local church – 2<sup>nd</sup> year and then train an intern in that local church-3<sup>rd</sup> year. My plan was to head to seminary at South Western which I had put on hold for those three years. God has never released me from FBC Vidalia until just recently to enter retirement and a new chapter in my life.

It takes a unique church to keep a pastor for 43 years and 7 months. FBC is that kind of church. Glenda and I have been blessed. We have had incredible years with wonderful co-workers. All of our seven children and now 20 grandchildren with 21<sup>st</sup> coming in April have had the stable experience of calling Vidalia home. Our church family and community have been so significant in their upbringing, development and passion for ministry.

It is amazing what we can accomplish for God when we don't care who gets the credit. It is also amazing to see what God will do when we sign a blank contract and let Him fill in the details.

Thank you for your role in encouraging me and allowing me to develop and mature over these years. Hopefully the man I am today is not the same man that moved here in 1974.

Don
