

Brothers and church leaders of the DBA,

Dr. Pandu Maddala, from the Victory Baptist Association of India, visited us recently. Pandu's latest visit was a blessing for us, as was his first visit. After Pandu's first visit, two of our brothers traveled to India to preach and teach and during that time 9,000 people made a profession of faith in Christ. Our brothers, Dannie Williams and Jeff Scoggins brought back an amazing testimony about God's gracious work in India.

To provide a quick update on just one of the amazing things that happened on Pandu's second visit to the states: Pandu has a heart to get a Bible in the hands of every new believer so they "can build their lives on the Word of God." During this recent visit to our Daniell Association, God stirred hearts, and The Victory Baptist Association now has the money needed to provide a Bible to all 9,000 new believers (plus a thousand more)! Praise God!

God is moving in the hearts of his children throughout this area to accomplish this work of grace among the unreached people of India. In regard to preaching the gospel to the unreached people in this world, this opportunity to partner with The Victory Baptist Association in India is as real and as close as it gets. I'm astounded by the privilege that God has granted to the churches of the Daniell Association, and I am delighted that as his eyes roamed to and fro to see whom he would entrust with this work, He chose you.

The Executive Committee (which consists of our DBA pastors), affirmed at the recent spring Executive Committee Meeting to call our DBA churches to collect \$1000 from each church for the mission in India. We are asking that each church pray and then give \$1000 by December of this year so that we can get the money to India by the end of the year. This money will fund the next evangelistic crusade and will provide an opportunity for thousands of people in India to hear their first Christian sermon and have their first opportunity to respond to the preaching of the gospel.

We will send the money to India, and several of our brothers will travel to India in February 2019 for the spread of the gospel among the unreached people of India. Oh, how we will rejoice together and marvel at the work of God when they return.

Pastor Jonathan Jenkins, Normantown Baptist Church and BPC student, sent me a text recently, "My church just voted to give \$1000 to India crusade!!!" Jonathan presented this opportunity, and God moved the hearts of the people. Normantown is few in number, but they will be an important partner in this great kingdom work.

Shepherds and leaders, I plead with you, pray and present this to your people. On that day when we see Christ, we will rejoice all the more because we were part of this work.

In hope,
Billy

PRAY THAT:

- † God would be glorified by EVERY aspect of our trip
- † Each of us, as well as the nationals with whom we work and share with would have a personal and powerful encounter with God
- † The unconditional love of God would radiate in and through each of our lives
- † God would put a hedge of protection around the entire trip
- † Satan would be bound from anything that distracts anyone from hearing the voice of God in the area where we'll be sharing
- † All participating on this trip would be sensitive to the leading of the Holy Spirit
- † God's Word would be proclaimed with power and produce life change (transformation)
- † God would give us strength and good health through the trip
- † God would protect and provide for family members back home
- † God would give wisdom to those speaking and teaching and listening ears to the people we come in contact with during the trip
- † Divine appointments, both with those we share with as well as other we might encounter while traveling
- † All team members and translators would be bold and creative in sharing our faith
- † We would make quick adjustments to time and cultural changes
