The Light

Churches partnering together to reach communities for Christ.

Dear Pastors and Church leaders,

On Sunday evening October 14th at 6:00, First Baptist Lyons is hosting the Daniell Baptist Association Annual Celebration service. As you would know, this is the ONLY time each year that the entire DBA comes together as a unified body of churches to celebrate what God has done, fellowship together, worship, feast on the word of God, and be challenged with a kingdom vision for the coming year.

This year we are asking all our churches to participate by bringing choir members and worship leaders to join as one mass group leading us to exalt the wonder of our Lord and His glorious gospel message. We are also in hopes that every Pastor will join with us and bring your members to hear Dr Bailey Smith's son Scott preach the word of God. I have heard Scott preach and he has the heart of an evangelist, communication skills second to none, and is cutting edge and current on what it takes to revitalize a church and expand the kingdom of God.

I believe your participation in this service will revive your heart, inspire and encourage your people, and help you with ideas to improve the impact of your church in the expansion God's Kingdom.

Bring as many as can and will come. I can't wait to fill the house and experience God as He works among us.

For the glory of our Lord,
Bro. Dannie Williams
Pastor FBC Lyons

I know you will join me in expressing gratitude to FBC Lyons for hosting all of us as we gather to worship together. This is a tremendous blessing to us all because we increase our vision and strength as we gather with our sister churches and urge one another on to love and good deeds; as we partner together in the work of the kingdom; and celebrate the victories of the gospel.

I think the influence of the Spirit of Christ increases through unity between churches in an area, and Satan has greater influence in an environment of separation and insulation. I am confident that your congregation will grow and be more effective at discipling people, if your partnering DBA churches are healthy, doing evangelism and discipling their people. The Spirit of Christ can hold sway over our community. We don't have to be withdrawn and insulated. As churches join together, praying for and with one another, partnering together in gospel ventures and celebrating gospel wins, the highways of the kingdom grow wider, extend farther and reach into more places in our communities to deliver the message and power of the gospel. We can be on the offensive, growing, instead of on the defensive, trying only to keep the members we have. We pray that every person, from Ohoopie to Alamo, from Red Bluff to Uvalda, will be confronted by the compelling Spirit of Christ through the testimony of joy and unity of the people of God flowing from church to church.

Come be together at First Lyons on October 14th. Lead your people into prayer and fellowship with your partner churches, and encourage them to participate in the association wide worship choir. We have the sheet music and the music tracks ready so that your people can practice the songs. I think they will be energized and excited about it, and even more if you are. Let's make 2018-2019 a time of increasing unity and influence of the churches in our DBA area and pray for the Spirit of Christ to cover our community like the waters cover the sea.

DBA NEWS

Our August Pastor's Roundtable and lunch was tremendously valuable to all who were able to attend. The pastors discussed ministering to those in grief. We encouraged one another through sharing our experiences and the insights we gained through those opportunities.

Our good brother, Chester Proctor, Pastor of Smith Street Baptist, recommended a resource: Tim Clinton and Ron Hawkins, *The Quick-Reference Guide to Biblical Counseling*. Let's encourage one another to continue to strive to be better equipped for the work of grief ministry.

Our next Round Table is scheduled for Monday, September 10th. The discussion begins at 11 am and lunch will follow.

TOPIC: Capitalizing on the Holidays

While we would absolutely love to have you at both, please do not feel obligated to come to both, you can come to discussion and/or the lunch. Please bring a friend or two to join us as well!

Please let us know if you will be able to attend and how many will be with you, so there is plenty of food for everyone.

Bro. Billy

Please note that the Evangelism & Adventure Trailers have been combined into the one awesome block party trailer and hold all three inflatables.

Please continue to lift up our brothers as they minister to those in prison.

Women's Ministry

Devotion from Teresa Meadows

Isaiah 41:13

For I, the Lord your God, will hold your right hand, saying to you, "Fear not, I will help you."

Isaiah was sharing God's Word with His people; a message of a hope and a promise to come after the Babylonian Captivity. This would not be an easy wait for the children of Israel. The captivity lasting 70 years would see kingdoms rise and fall. Kings would go mad. Those who stood when others kneeled would be thrown into fiery furnaces. Those who prayed to the One True God while others worshipped idols would find the lion's den as their reward. The faithful, through God's providence, would be delivered while others would not be making the journey home. It was not an easy road ahead.

It was important for Israel to know that even though they had been unfaithful to God, God would still keep His covenant. Israel had the habit of turning to idols for help instead of turning to God. These idols were sometimes images of wood or stone made by man; sometimes it was a foreign power or a king with an army. They would look low instead of high for a deliverer. They knew what God did in the past but for some reason could not dare to see what He could do for the future.

I love this verse and all that implies about an intimate trusting relationship with God as He holds my hand. Holding hands is an intimate act of fellowship. The interlocking of fingers can make for a firm grip as two people hold on to one another. But I believe in this verse it is more the case of a larger hand holding a much smaller hand. Like a father taking the hand of his small child and holding it firmly for safety and security. Knowing the smaller hand is unable to keep up the connection the larger, stronger hand sustains the tight grip that refuses to let go.

The fact that it was the right hand is significant as well. The right hand serves as a symbol of strength, honor, authority, and blessing. So for God to take my right hand means that I am submitting all that I have to all that He is. In doing this, I am then relieved of all fear because now I am being held by the One that holds it all.

In having that saving relationship with God the Father through Christ the Son, we live with a peace that surpasses all understanding. He will never let go of His child. He is an ever-present help in times of trouble.

CONGRATULATIONS TO EL CAMINO HISPANIC CHURCH on the opening of and first services of the new location! What a better way to celebrate the first service than with a baptism!

Bro. Joey Davis writes:

God has led Iglesia Bautista El Camino to replant in Lyons in order to reach more Hispanics for the gospel. On August 4th in cooperation with First Baptist Church of Lyons and the support of the Daniel Baptist Association and churches, El Camino was relaunched. The first service was an amazing work of God. Members of FBC Lyons and Fairview Baptist Church helped us with evangelism and outreach before the kickoff service. We saw around 60 Hispanics show up for the first service. Bro. Danny Williams preached on John 3 and I translated for him, Mitch and Kelly helped with the children, and Jeff prepared worship in English and Spanish so we could worship as one. The service started with the baptism of Maria Quintero and her profession of faith in Jesus Christ. She received the Lord in FBC Lyons just a few weeks prior. The members from Iglesia Bautista de Cedar Crossing and Iglesia Bautista El Camino cooked and served Latin food for everyone present. It was an amazing evening as we watched the members of FBC Lyons open their arms and hearts to the Hispanic people. A real reflection of the kingdom was portrayed as I watched both cultures love and serve each other. We were able to make many new contacts and are seeing an average of 35 on Sunday night during this first month. We also have people coming to Discipleship on Wednesday night. We are seeing God do something new in our area as two cultures are working together for the gospel. My heart is grateful to God for how He is working. Thank you DBA, FBC Lyons, FBC Vidalia, and all DBA churches and individuals that have supported and helped us in this ministry. I am praying for revival in our area and the mobilization of our people with the gospel to all peoples for the glory of God. Much love to all my family in Christ.

Bro Dannie Williams writes:

The launch of El Camino Church was an incredible experience. It was such a unifying and joyful time for everyone. We are expecting a coming harvest that will one day gather with us around God's throne.

Mission India is a ministry of the Daniell Baptist Association in partnership with Victory Baptist Association, pastor Pandu Maddala in India. Pastor Pandu is working diligently for the Kingdom. He is training pastors, distributing the Word of Our Lord to converts from Muslim, and teaching truth. In 2019, the DBA would like to assist Pastor Pandu with holding a crusade. Last year's crusade was attended by our own pastors Dannie Williams & Jeff Scoggins in which over 9,000 people received Christ. As an association we can reach many lost souls for the Kingdom if we come together. Our goal is \$50,000 to help with the crusade, \$1,000 per church. If the 2019 produces the same amount of fruit as 2018, that is a cost of \$9 per salvation. If you have 50 members of your church, and each gave just \$20 to this cause, they will have taken part in helping lead two people into a growing relationship with Jesus Christ! Please consider sharing this with your congregation & teams.

Please see below for recent news from Pastor Pandu.

Dear friends,

I wanted to thank you all for these past 12 years of prayerful and loving support to the missions and ministry that we have been so blessed to have taken part in. My first mission venue was in Motorcycle Ministry w / BFC International, which was fun, very challenging, and rewarding. I then was able to serve thru NAMB as a Mission Service Corp Missionary (MSC) with my first venue being in the inner city of Savannah for nearly a year. Serving thru the Savannah Baptist Center, I led the Bible studies with our homeless men and many Veterans and helped feed and clothe folks in need on a weekly basis. What a humbling, growing, skin-thickening ministry it was! I returned home and met with former D.O.M. Robbie Smith, who not only asked me to join the DBA team but prayerfully consider implementing DBA ministry in our prison system. 9 years ago Bro Stan Hutto and I entered the prison gates amongst a throng of Jehovah Witnesses, a Catholic Nun, a Mennonite Pastor, and others for the first training session! God has and continues to do a wonderful work to His glory in that dark spiritual place of 3000 incarcerated men and over 400 staff! I wish I had time for the God stories and the vast numbers that came to Christ over the years! I can only say " Glory!" We saw expansion of our ministry into other dorms as God continued to chase away much darkness with the light of His word! This led to the Higher Learning & mentoring teaching programs.. it's as if God showed us the Prayer of Jabez expanding His presence through DBA's solid teachers. What an awesome, growing experience in both our and these men's lives. (Hebrews 13:3)

I have been so blessed to witness on foreign soil.. in the very places Paul preached and even where Christ's earthly ministry took place. I have met the boldest of witnesses for the cause of Christ, made lifetime friends, and learned much from their devoted hearts. It has been a wonderful blessing to lead Bible studies, preach the Word in many of our DBA churches and evangelize in our communities.

I want to thank Bro Robbie Smith, our current DBA D.O.M. Billy Puckett, and Jessica our wonderful secretary for your insight, trust, wisdom, friendship, and support. A special thank you to my Pastor and mentor, Bro Dannie Williams, who always inspired, guided, and trusted in me through each " stepping stone of faith." Thank you to my wonderful mission minded church FBC Lyons and our great Association, DBA for lovingly supporting our mission efforts over these years. Thanks to my right hand man Stan, an obedient servant and great encouraging friend from the start. And to my loving wife and wonderful parents, I absolutely could not have done any of this without your years of daily encouragement! Thank you!

So now, as my tenure ends with NAMB and DBA, I'm excited about the new direction of ministry He's provided and I urge each of you to " step out in faith while you can." (Acts 1:8) Again, thank ALL of you for your loving support. A " hometown missionary" couldn't ask for a better team!

Keep us in your prayers as He opens another door for us. We love you all and covet your prayers and friendship.

Serving Together,
Bro. Keith Horne

backpack 4 BUDDIES

Did you know.... that 40% of children in Wheeler County live in poverty and are at-risk of hunger, which means that they don't have consistent access to enough nutritious food?

Many children rely on school meals to provide breakfast and lunch during the school year. During weekends and holidays, many students go home to little or no meals.

TCFC's Backpack for Buddies Program works to fill the gap by providing nutritious, child-friendly meals for students to take home over the weekend. TCFC partners with schools, local churches, and other community partners to ensure that food snacks are distributed every Friday of the school year.

HOW CAN YOU HELP?

- Monthly donation of \$100.00
- A one-time donation of \$150.00 which will feed all the students in the program for a week
